

## FACT SHEET

# TRICARE Online Patient Portal

ACCESS ANYTIME, ANYWHERE

**TRICARE Online Patient Portal (TOL) is the Department of Defense (DoD) online patient portal providing eligible beneficiaries access to military hospital and clinic appointing, prescription (Rx) refill, DoD Blue Button personal health data, Secure Messaging, Service Separation/Retirement and Nurse Advice Line.**

DoD beneficiaries age 18 years or older, including active duty service members, retired service personnel and their families, can use TOL Patient Portal services and information. Beneficiaries can securely access information using their DoD Common Access Card (CAC), DoD Self-Service Logon (DS Logon) Premium (Level 2) and Defense Finance and Accounting Services (DFAS) myPay credentials. TOL Patient Portal capabilities are available 365/24/7 from any location with an internet connection, providing convenient access to tools which empower patients to be more active participants in their health care. TOL Patient Portal saves time, money and frustration. Patients can schedule an appointment for a sick child in the middle of the night, refill a Rx without waiting in line at the pharmacy, check lab results from their cell phone or even communicate directly with their provider team or a nurse regarding their health care needs. Access the TOL Patient Portal at [www.TRICAREonline.com](http://www.TRICAREonline.com).
